To

The Secretary to Government,
Law Department, Bangalore

Sir

CAncellation of the accepted tender of Messrs N N anjundaiah & Sons , for the work of duplicating the Malleswaram Main of the Bangalore City Drainage Scheme

Adverting to Government Order No L 7287-90/Ml 90-40-33 dated 27th January 1943 sanctioning the acceptance of the tender of Messrs N Nanjundaiah & Sons , for Rs 74,520/- for the above work, I have the honour to state that the Special Officer, Bangalore City Drainage Division reports that the work which was started by the contractors in April 1943 went on in a very desultory manner in the first two months and this was overlooked on the representation of the contractors but that the dilatariness continued in spite of several notices and even concessions granted to the contractors in the shape of priority in taking up certain areas to suit their convenience

The Special Officer opines that from the manner in which the contractors are carrying out the work, it is clear that they are not very anxious to make proper arrangements for the speedy completionof the work The stipulated monthly progress of Rs 7,000/- is reported to have not been given even once ever since the work was started The progress for November and December was nil The total outlay secured is Rs 15,447/- of which Rs 768/- is held in reserve, against the stipulated progress of Rs 7,000/- per month from April 1943 i e , Rs 63,000/- up to end of December 1943 The contractors have completed only a small portion, the major and more difficult portion of the work yet remains to be done The Special Officer is of the opinion that with their limited means and equipment, they may not be able to complete the work at all and that they are unfit to undertake a work of this magnitude and importance

The Special Officer therefore recommends the cancellation of the tender of the accepted contractors viz , Messrs N Nanjundaiah and Sons , and the forfeiture of their earnest money and deposit of Rs 2,600/- and the amount of Rs 768/- held in reserve

I agree with the Special Officer and request you to be so good as to obtain and convey sanction of Government to the cancellation of the accepted tender of Messrs N Nanjundaiah & Sons , with the forfeiture mentioned above

I have the honour to be,

Sir,

Your most obedient servant,

Director of Public Health
